Work History

- May 2021 - Current** - **Russian Community Manager**
Plethori
 - Management of all russian communication channels;
 - Planning and preparation of marketing campaigns;
 - Translation of all official announcements (English - Russian).Built the community from scratch. Managed translation, advertisement, communication processes.
- Jan 2020 - May 2021** - **Startup Manager**
Evgeniy Ostretsov, Kyiv, , Ukraine

Supported the project in its early stage. The startup was focused on developing an eco-friendly thermoelectric power station that will recycle plastic bottles.

A prototype was successfully built. My job was to manage, keep clean the documentation and also raise awareness about the project through contacting potential investors.
