Summary

My passion is to help people to improve their health and wellbeing by doing the right thing at the right time for the right person and having the best possible result.

As a Blogger @DocLanka.com, I help people to gain knowledge regarding health and wellbeing.

As an Entrepreneur @Health Tech Solutions, Sri Lanka, I help Healthcare Professionals and Services to increase their social exposure by providing Digital Health Marketing Strategies, New business planning, Social Media Marketing.

As a Healthcare professional, I gained so much knowledge regarding Patient Management with Empathy, kindness, and understanding, Knowledge of Personalized medicine, Top-notch diagnostic and treatment abilities, Outstanding clinical judgment. Ability to explain complex health-related phenomena simply.

I have three personal Mottos,

- ◆ " Learn the Hard Way. "
- ◆ " Discover it by yourself. "
- ◆ " An investment in knowledge pays the best interest. "

I highly believe in Blockchain Technology and its applications in the Healthcare industry.

Every Healthcare institution should focus on using Secure, Decentralized EHRs and Payment methods.
